

Introjucer Privacy Policy (updated January 1, 2020)

This policy details how data about you is used when you access our websites and services, including via our mobile applications (together, "Introjucer") or interact with us. If we update it, we will revise the date, place notices on Introjucer if changes are material, and/or obtain your consent as required by law.

1. Protecting your privacy

- We take precautions to prevent unauthorized access to or misuse of data about you.
- We do not share your data with third parties for marketing purposes.
- We do not engage in cross-marketing or link-referral programs.
- We do not employ tracking devices for marketing purposes.
- We do not send you unsolicited communications for marketing purposes.
- We do provide email proxy & relay services to reduce unwanted email.
- Please review privacy policies of any third party sites linked to from Introjucer.
- We do not respond to "Do Not Track" signals (see allaboutdnt.com).

2. Data we collect, use and disclose:

Below is a list of all the types of data we have collected in the last 12 months, where we got it, why we collected it and the categories of third parties to whom we disclosed it. We do not sell your data to third parties. Please note that disclosure to "Payment processors" applies when you pay for an Introjucer post using a credit card.
